

SaniStep

**Header signage purchased separately

sanitize in one safe step

Made in North America, the patented dispenser is designed to prevent contamination and remove the worry. This no-touch dispensing station is constructed from durable powder coated aluminum with a steel base. It is built to last and will dispense properly, every time guaranteed.

Sanitizer Refill

- Bottle is specifically designed to work with the sanitizer stand
- Proudly made in the USA
- Top grade 70% ethanol alcohol
- Added moisturizers that leave your hands refreshed and hygienically clean
- FDA Approved
- NPN 80100045

Optional Header Sign

- Clear acrylic (insert your own printed design) header signs
- Insert your own logo, personal message, or use instructions
- Available at additional cost

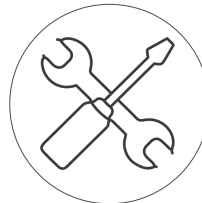

Touchless Dispensing

Pedal activated dispensing so contamination is not spread between users.

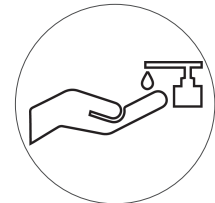

100% Mechanical
